Chewonki Foundation
Donor Impact Report
FISCAL YEAR 2017 • SEPTEMBER 1, 2016 – AUGUST 31, 2017

A thank-you note to you
Dear friends,

Through my windows in the Farmhouse, I see the woods turning from green to gold. Chewonki’s 102nd year, fiscal year 2017, is history. We are already deep into new adventures, but it’s important to take time to celebrate what we—and you, I mean you along with Chewonki staff, participants, and families—accomplished last year. A few highlights:

- Generous donors contributed $941,516 to the Chewonki Annual Fund, an awe-inspiring affirmation of Chewonki’s mission.
- With your help, we awarded more than $1,216,100 in financial aid to families and discounts to schools, assuring access for a wide variety of wonderful students.
- We continued to develop plans for Camp Chewonki for Girls on Chewonki Neck. Achieving our goal will require resources and determination, but we are committed to this long-awaited step forward.

- New Head of Semester School Susan Felbelman is leading a vibrant Maine Coast Semester into its 30th year. Stay tuned for details about next summer’s reunion!
- The Elementary School at Chewonki, now serving students in grades 3-7, continues to demonstrate innovative new ways to meet our mission.

As each year goes by, I understand more deeply that Chewonki’s strength lies in strong, caring relationships between people over time. Your commitment inspires and guides my efforts every day. Thank you for your loyal support of Chewonki’s challenging, joyful, essential work.

Willard Morgan  
President

Thanks for helping Chewonki thrive.
“It’s evident that you are deeply engaged in your academic work. You raise the level of discourse and display intellectual leadership in English, and you do the same in Environmental Issues, bringing important questions to the table.”

"I have learned so much about myself and the world around me. I have learned to live in the moment, try new things, and never, ever doubt myself...I have never met people who care so much about me..."

"The science field final was really rewarding because it was long and difficult but made me realize how much I had learned about the coast of Maine."

from Semester 57 student survey
“When a counselor said ‘You’ll thank me later’ about our sunrise hike, you, a cranky pre-teen being woken at 4:30 a.m., managed to say, ‘Yeah, I probably will,’ and then hopped right up. (You caught up on sleep atop a comfy pile of rocks at the summit.)”

from a counselors’ letter to a girl camper
“Our favorite memory of you was when you had returned from sitting by Cloud Pond. You watched the clouds move in and out, and we watched you thrive in a natural setting. Every morning, without hesitation, you packed your bag and began helping the group...”

from a leaders’ letter to a wilderness tripper
"Outstanding. The lessons were well paced and delivered with enthusiasm and knowledge. The kids were totally engaged at all times. Content was perfect and educators created a very positive experience in nature."

Sustainability and Facilities
With the addition of new solar panels, Chewonki reached 110.22 kilowatts of installed capacity. Solar generation produced nearly 50 percent of the electricity we used in the past year.

“We need the tonic of wildness...At the same time that we are earnest to explore and learn all things, we require that all things be mysterious and unexplorable...”
